### Application Materials:

Each application is considered on an individual basis. This camp is for students who want to explore their marine world and are committed to being at camp. Applications require that the student express their desire to attend camp through the submission of the following:

- A one-page, handwritten letter expressing your interest in marine science and/or your reasons for wanting to attend SeaCamp at Foss Waterway Seaport.
- A letter supporting your participation in SeaCamp from a teacher (preferred) or other adult who can talk about your commitment to participating in SeaCamp.
- An example of your work – from school or other activity – that demonstrates your excitement and interest in learning more about marine science and all things aquatic.
- A self-addressed stamped envelope to return all application materials

Application materials will be reviewed and compared to peer applications. All application materials will be returned to applicants after decisions have been made.
